

# TRIANGA

## India's Largest Flag

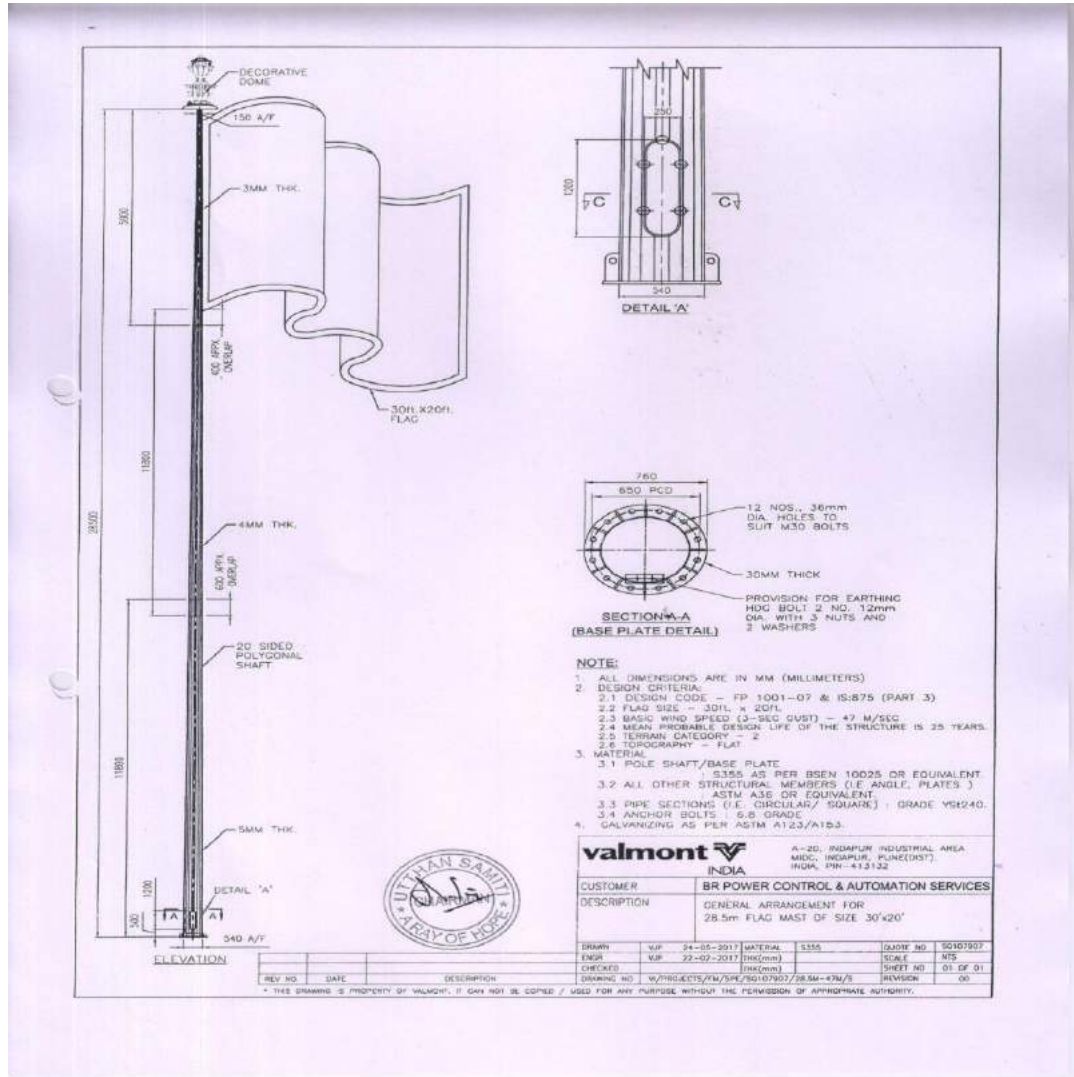

**BY UTTHAN SAMITI**

## About Trianga

- India's Largest Flag on Stainless steel pole of 111 f.t in height at Central Park Raj Nagar Ghaziabad-U.P.-201002 was hosted on republic day to promote patriotism among young individual, also to connect it with cleanliness and Education organized by Utthan Samiti. An NGO has taken up an initiative to host India's flag on Republic day. On January 26, 2018, a 111 f.t national flag will be hosted at Rajnagar Central Park area.
- Being constructed at a cost of 14 lakh, the pole to hold the tallest flag in the city is made of Stainless steel.
